

Yale Young African Scholars

Application Reference #: 242707888

Dear Kaliza,

Congratulations! I am thrilled to offer you admission to the **2026 Yale Young African Scholars (YYAS) program!**

To say you were an exceptional applicant would be an understatement. Out of thousands of applicants from over 40 different African countries for the 2026 session, our selection committee picked YOU to join our extraordinary global community.

Based on your application and the decision of our admissions committee, we are excited to offer you a spot in our **Online College Prep Workshop** taking place on various digital platforms. The program dates are as follows:

16 - 21 July 2026

The online session will deliver much of the same pertinent information and programming that will be shared during the residential session happening in Kenya this year. Since we have facilitated online sessions for the past six summers, we are confident we will be able to deliver a transformative online session that is equally exciting and informative.

There are some important steps you need to take in order to participate in YYAS. The process is as follows:

- By **25 March 2026**: To secure your spot in the program, complete the [Admission Reply Form](#) to accept or decline your offer of admission to the program.
- By **5 April 2026**: If you accept your offer of admission, then you must complete the following forms to register for YYAS (these links will be provided on your YYAS Admission portal after you complete the [Admission Reply Form](#)):
 - [Registration Form](#)
 - [Images & Recordings Permission Form](#)
 - [Online Release Form](#)

*Please note that it is **not** possible to defer acceptance to next year.*

Further information regarding the online session and how to log on to the digital platforms will be communicated to you in the coming months.

We are very excited to welcome you and the other outstanding secondary school student leaders to YYAS 2026!

If you have any questions or concerns, we encourage you to carefully review this letter, the [Frequently Asked Question page](#), and all YYAS resources provided to you and/or your family before reaching out to us.

YYAS experiences a high volume of emails during this time, but please don't hesitate to [contact us](#) if we can help.

Please note that information about program details will be sent periodically to all participants. We cannot wait to meet you soon!

With warmest congratulations,

A handwritten signature in black ink, appearing to be 'RP' followed by a long horizontal stroke.
